Placing an Order Online

When placing your order online, please make sure you're on our Wholesale Website, not the Consumer site. Orders submitted through the Consumer website will be charged retail pricing, and the Free Freight threshold does not apply in the same way — which means freight charges or credits will not be calculated correctly. If an order is mistakenly placed and shipped through the Consumer site, a \$20 processing fee will apply to issue a refund. To avoid delays or additional charges, please double-check that you're logged into the Wholesale portal before completing your order.

Creative Education considers all children in the design of the Great Pretenders range of products. We ask our retail partners to recognize the "Every Child" nature of the costumes we produce and take care to remind others of the SNAP (Special Needs Adaptable Product) designation earned by our tunic constructions - a fan favourite among our dress-up range proudly produced in Canada.

Let's get SOCIAL! We love seeing our costumes and retailers represented in media. Contact us at marketing@greatpretenders.ca to see how we can support your social initiatives in 2026 and beyond. We are loving all the tags and shout-outs on social media; here are some favs!

Opening an Account

A minimum order of \$350USD or 400\$CAD is required for first time orders. First time orders must be prepaid with either Visa or Mastercard. Upon credit approval, accounts will receive Net 30 day terms. Reorders require minimum purchase amounts of \$200USD or 300\$CAD.

Back Order Policy

Our goal is to ship orders complete and within 24 hours. Despite our best efforts, backorders do happen. Our backorder policy is to cancel all backorders less than \$200 USD and \$300 CAD.

Backorders over \$200 will ship with your next re-order. Backorders can be added to re-orders to reach the Free Freight minimum. If you require product before a certain date please indicate this by filling in the cancel date information for your order. If you do not accept backorders then please tick the "Backorders Not Allowed" box and your backorder will be cancelled. When back orders are cancelled you will be sent an email advising what items were remaining on the backorder and that they have been cancelled.

When you do accept backorders and your original order qualified for free freight, your backorder will be shipped with Free Freight if the outstanding value is greater than 600\$ CAD / \$300 USD. If the outstanding value is less than 600\$ CAD / \$300 USD the back order will be held for four months waiting for a re-order to combine with to meet the Free Freight threshold. If a re-order is not placed then the backorder will cancel out of the system after four months. Customers will always be notified of cancellation.

Ordering

Wholesale orders can be placed 3 different ways:

- Place an order with your Sales Representative.
- Order online at www.greatpretenders.ca
- Email your order to orders@greatpretenders.ca
- No phone orders will be taken
- Ordering in full inner packs or multiples of:
Order quantities must always be a whole multiple of the published case pack quantity (for example, if the case pack is 4, acceptable quantities are 4, 8, 12, 16, etc.)

Defective and Shipment Claims

Despite our best efforts, a product may arrive in a defective or damaged state. Please let us know within 15 business days of receiving your shipment so that we can resolve the issue. Manufacturing defects will be resolved with a credit as soon as possible.

Placing an Order Online

When placing your order online, please make sure you're on our Wholesale Website, not the Consumer site. Orders submitted through the Consumer website will be charged retail pricing, and the Free Freight threshold does not apply in the same way — which means freight charges or credits will not be calculated correctly. If an order is mistakenly placed and shipped through the Consumer site, a \$20 processing fee will apply to issue a refund. To avoid delays or additional charges, please double-check that you're logged into the Wholesale portal before completing your order.

Colours & Material Construction

Please note that despite our best efforts to maintain consistency, there will be some slight variations in colour hues and fabric constructions due to our textile supplier's manufacturing processes.

Free Freight

A good credit rating and a minimum order amount of \$500 (Continental USA customers) and \$900 (Canadian customers), for items that are currently in stock, is required to receive Free Freight.

\$200+ Jewelry Orders: Eligible for free freight (only applies to classic or boutique jewelry). Please note, boxed jewelry and stick-on products are not included.

Location

All Canadian orders are shipped FOB from Sarnia, ON N7V 1X4. All US orders are shipped FOB from Port Huron, MI 48060

Credit Card Declines and Expired Cards

If a credit card payment is declined or the card on file has expired, we will send an email notification to both the customer and their sales representative.

If we do not receive an updated payment method within one (1) week of that notification, the order will be closed. When an order is closed, the associated inventory will be released and reallocated to other active orders. This means the customer may lose their place in the fulfillment queue.

To avoid delays or loss of inventory allocation, please ensure your credit card information is current and that sufficient funds are available at the time of processing. This will help ensure that your order is shipped complete and on time.

Our production team in Point Edward, Ontario follows each part of the manufacturing process with detail and care. Our Canadian facility currently manufactures over 76 SKU's for both girls and boys. Watch for the maple leaf  icon, to see which products are made locally!
