QUERCETTI, giocare intelligente in modo eco-friendly

70 anni di attività sempre fedeli alla nostra mission di produrre, rigorosamente in Italia, i migliori giocattoli educativi sul mercato.

Una storia lunga di successi e riconoscimenti che fanno di Quercetti una brand heritage unica nel panorama internazionale con un patrimonio di valori e conoscenze che ogni anno ci permettono di uscire con sempre nuovi prodotti vicini alle esigenze di sviluppo e crescita dei bambini.

Vogliamo avere anche un ruolo di grande responsabilità nei confronti delle nuove generazioni impegnandoci a ridurre l'impatto ambientale delle nostre lavorazioni e utilizzando materiali riciclati o bio sostenibili.

QUERCETTI, eco friendly smart play :

Our mission, since 70 years of activity, is always to produce the best educational toys in Italy.

A heritage of successes and awards make Quercetti a unique brand on the international scene with a wealth of values and knowledge that every year allow us to release new products that further the development and growth needs of children.

We also want to have a role of great responsibility towards the new generations by committing ourselves to reducing the environmental impact of our processes and using recycled or bio-sustainable materials.
