Where Magic Grows

EN

Where Magic Grows.

At Egmont, we create toys that feel like stories: a lamp shaped like a mushroom, glowing softly at bedtime; an illustration drawn by hand, alive with tiny imperfections; a keepsake crafted with care, ready to be loved today and passed to tomorrow.

FR

Là où la magie grandit.

Chez Egmont, nous créons des jouets qui ressemblent à des histoires : une lampe en forme de champignon, diffusant une douce lueur à l'heure du coucher ; une illustration dessinée à la main, vivante dans ses petites imperfections ; un souvenir façonné avec soin, prêt à être aimé aujourd'hui et transmis demain

About Egmont

EN

Founded in 1994

Egmont Toys began as a small toy business in a garage, with a big dream: to create timeless toys, crafted with care, and filled with wonder. Over the years, the collection grew and found its way into little hands all around the world.

In 2025, Amaury Timmermans took over the company. As a father of two young children, his dream is to make children play again. That passion is what made him fall in love with Egmont Toys — toys that spark imagination, invite wonder, and carry childhood's magic forward.

FR

Fondée en 1994

Egmont Toys a débuté comme une petite entreprise de jouets dans un garage, avec un grand rêve : créer des jouets intemporels, fabriqués avec soin et remplis de merveilles. Au fil des années, la collection s'est enrichie et a trouvé sa place dans les petites mains d'enfants aux quatre coins du monde.

En 2025, Amaury Timmermans a repris l'entreprise. Père de deux jeunes enfants, son rêve est de redonner le goût du jeu aux enfants. C'est cette passion qui l'a rendu amoureux d'Egmont Toys — des jouets qui éveillent l'imagination, invitent à l'émerveillement et perpétuent la magie de l'enfance.

Egmont at night

Once a mushroom ate the moon, now it glows forever.

In the hush of evening,
when tiny feet slow
and stories begin,
our mushroom lamps glow softly.

Their shapes are borrowed from the forest floor,
where moss meets moonlight.
Switch them on,
and a room becomes a woodland den —
safe, snug, and full of hush.

Each lamp is made to be timeless.
A keepsake light for bedtime tales
and gentle dreams.

A glow to guide today,
and to last through many tomorrows.

Once a mushroom ate the moon.
Now it glows forever.
