2026 Collection

Halilit.

Welcome to the 2026 Halilit Musical Toys Collection

Where music is composed with care and every sound finds its place.

Halilit Musical Toys blend refined stylish design with beautifully balanced tones, never too loud, always in tune, produced with precision, inviting young children to explore rhythm and harmony.

Crafted from premium materials with great care for quality and safety, each thoughtfully crafted piece is carefully tuned to turn moments of play into a joyful and meaningful first step into the world of music.

Baby Drums

A quality first Baby Drum for young children. Produces an excellent professional sound. With a pair of special safety mallets.

Tummy Time Collection

Tummy time is an important way to help babies reach motor milestones by building upper body strength, lifting their heads, rolling over, reaching out for toys, and eventually crawling.

Our Interactive Tummy Time Collection has been created to give your baby many happy moments during this vital growth stage, as adult and baby explore a wonderful world of movement, colours, and sounds together.

Shaking Drum

Your baby will enjoy exploring the multisensory effects of this Shaking Drum, as it creates gentle sounds combined with fast and slow movements of colourful beads and shapes. The perfect early ages toy for developing important skills. Visual Stimulating Book included.
